

Hi, I'm Alex Thornton, 2nd Year in Creative Media and Production on the Abingdon campus. I was part of Student Voice in 2020/21. This year I really wanted to step up and take on the Green Lead role. My main priorities for this year are:

Make the campuses greener in a way that benefits everyone as well as the environment.

&

Empower young people to make greener choices without having to make drastic changes.

Please contact me via Teams or chat to me in person if you have any ideas or feedback or would like to join the Green Team!
