

Hi I'm Alice West your LGBTQI+ Lead. I am here to offer support, suggest ideas, and most importantly get YOUR ideas, opinions and voices out there!

Before I get into why I have decided to take on this role, and what my aims are for this position, I'd like to tell you a little more about me.

I am in my second year studying Performing Arts on the Abingdon campus. I am a very ambitious, friendly, and opportunistic person. I took on this role, as I identify as part of the LGBTQI+ community and therefore understand the struggles and challenges we all go through, and how important it is to get OUR voices heard.

I want to support the college in it's inclusive approach. I feel passionate that students should feel comfortable, safe and confident, whether they identify as part of the LGBTQI+ community or are allies.

Being yourself is so important.

Please do not hesitate to message me via Teams or speak to me in person.
