Welcome

Welcome to Early Years level 3

We are looking forward to welcoming you on to your course in September, to help you get ready to start the new chapter in your education we have included some activities linked to the first units you will study.

Please complete these tasks and bring them with you on your first day in college.

We hope you enjoy these tasks as they will give you a taster of what the course will entail.

Info on course

Units that we cover on year one of the course:

Child Development from Conception to 7 years

Children's Health and Well-being

Providing Children with Enabling Environments

Child Observations, Assessment & Planning

Child Health

Play and Learning

Supporting Children's Additional Needs

You will also complete 345 hours industry placement

Please order your uniform using the link below:

Preparation Tasks

Task 1:

Investigate what roles or jobs are available in and/or around Early Years settings. Please include at least 5 job roles and outline the responsibilities for each, in table form. For example (please do not use these examples);

Job Title	Responsibilities
SENCO (Special Educational Needs Coordinator)	
Speech Therapist	

Task 2:

Describe factors that may impact upon the development of a baby during:

- pre-conception
- each stage of pregnancy
- during first year of life.

Task 3:

Summarise the role of the 'Key Person' in promoting children's emotional well-being (what does the Early Years Framework (EYFS) say about the Key Person's responsibilities and about children's emotional wellbeing?).

Task 4:

Describe 4 physical care needs of babies and young children.
