

Gender Pay Gap Report

Gender Pay Gap reporting requires employers with 250 or more employees to publish statutory calculations each year showing the pay gap between male and female employees.

Unequal Pay – paying individual men and women differently for the same work / work of equal value – unlawful in the UK for over 45 years.

Gender Pay Gap – the percentage difference in average pay between men and women.

The information below has been presented in accordance with the Equality Act 2010 (Gender Pay Gap Information) Regulations 2017.

The figures are based on employee data as at 31st March 2021. At this date, Abingdon and Witney College employed 579 staff, 405 (69.9%) of which were female and 174 (30.1%) were male.

Hourly Rate Quartiles (%):

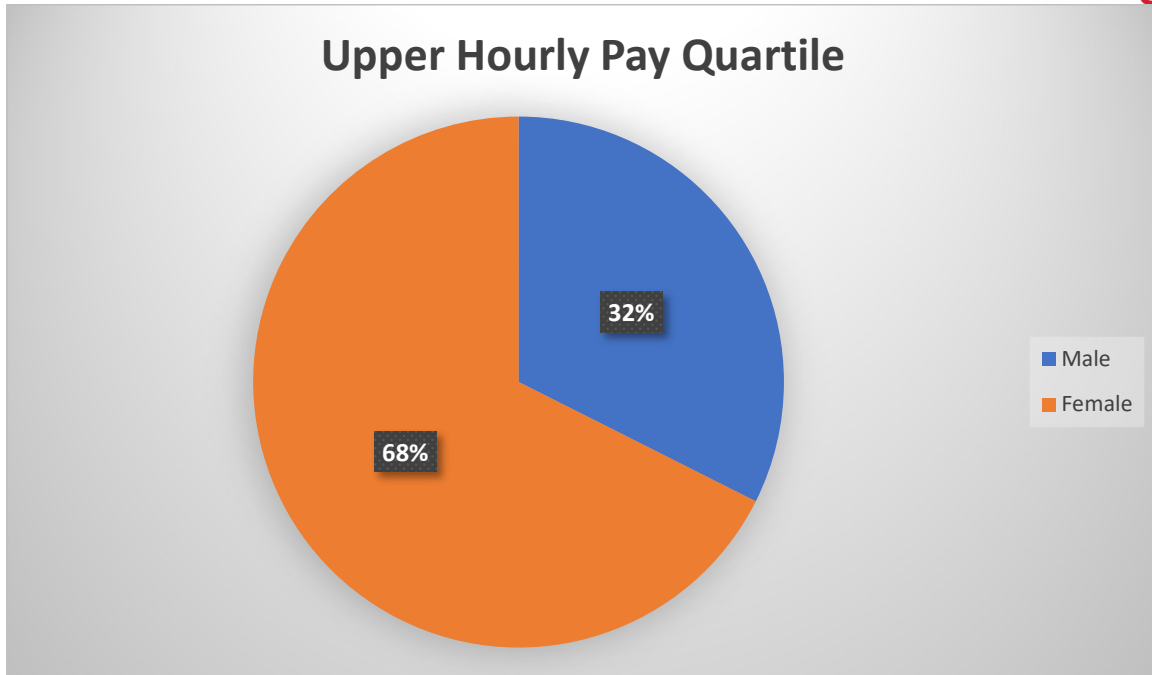

Lower Middle Hourly Pay Quartile

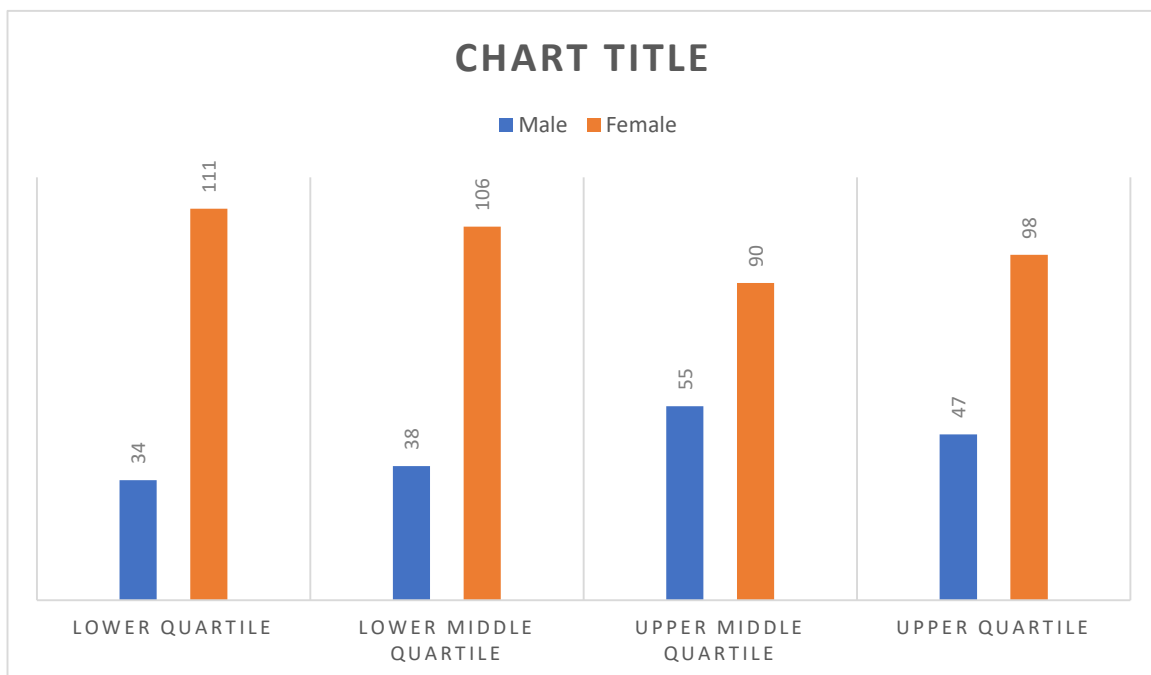

Upper Middle Hourly Pay Quartile

Number of Males and Females in Each Quartile

Bonuses are not paid at Abingdon and Witney College and therefore no data is provided in relation to this.

The College has a higher percentage of females at every level of the organisation but

this is more noticeable in the lower quartile which tend to be Business Support roles in part time / term time only positions including Cleaners, Catering Assistants, Administrators and Learning Support Assistants.

Eradicating the Gender Pay Gap

Abingdon and Witney College is committed to the continued reduction in the Gender Pay Gap and providing equality of opportunity throughout the organisation

We will ensure that gender equality is a focus of the Personal Development, Behaviour and Welfare (PDBW) committee and associated focus groups. Processes are being reviewed including training for interview panels on unconscious bias, providing career development opportunities and consideration to flexible working applications in the upper quartile roles particularly to attract more females.
