# Welcome

All treatments are carried out in our professionally assigned Hair and Beauty salons, supervised by our highly trained and experienced members of staff. Our aim is to provide training for Beauty Therapists and Hair Stylists of the future. Professional product ranges used are Dermalogica, Kaeso, Gelish and Redken. We also retail Fake Bake, Orly nail polishes and Lee Stafford hair products. In addition we sell gift vouchers redeemable for treatments and products.

We work very closely with the local community and support a wide range of charitable and community events. If you would like The Studio to consider supporting a local charity or community event, then please contact us directly.

The service we provide is based within our training environment and although we aim to provide a high standard, we would appreciate that you consider the following when making your booking with us:

- Duration of treatments can vary
- Booking times may be limited
- Training conditions are reflected in the treatment price
- All students are undergoing training, including the receptionists
- Skin tests are required every term and 72 hours prior to colouring and tinting services

We hope to hear from you soon!
