

**Abingdon
& Witney
College**

Hi, my name is Kathleen Hamacher, I am in my second year of the Events and Tourism course at Abingdon campus. In my first year I was a Student Rep for my course, this year I decided to go further and contribute a little bit more to the college. That's why I decided to become a Campus Lead.

My main priorities for this year are:

To make sure every student knows where and how to raise concerns.

To make sure every student knows how to tell us about their ideas to make the college experience even better.

To help ensure every student is treated fairly and equally so everyone can feel safe and comfortable.

I'm looking forward to hearing your views, ideas and concerns and making the most out of your opinion. Feel free to contact me via a Teams message or talk to me in person.
