

Hi, my name is Naomi McCobb, I am a second year Performing Arts student on the Abingdon campus. Last year I was a Student Rep for the first year students and this year I want to do a little more for the college, which is why I've decided to be Campus Lead. I applied for this role as I am passionate for our student voices to be heard and for us to get the help we need to make college a better place for each individual.

My top priorities this year are:

To make the students feel more comfortable to vocalise their concerns and feelings during their time in college.

To make sure everyone is being treated fairly at college.

To make sure we are helping you get the most out of your college experience.

Not only do I want to get your views heard but I will make sure we are doing something about them. Please contact me via Teams or chat to me in person if you have any ideas or feedback.
