

Guidance for Students

Receiving a positive Covid-19 test result

You must notify us **immediately** if you receive a positive Covid-19 test result.

Please contact our Student Engagement Team by telephone on 01235 216228 (Abingdon) or 01993 208038 (Witney or Common Leys) – we will need to ask you a few questions.

Alternatively, if it is outside of normal college operating hours, please email us:

covid.positive@abingdon-witney.ac.uk and be sure to include your contact details.

Please do not share your news more widely – we will follow advice from Public Health England and the Department for Education to ensure that everyone who may have had contact with you in college is notified.

We understand that at worrying times like this it can feel natural to share your news via social media, but we would ask that you **do not do this**. It can unnecessarily increase alarm and create panic.
